

Full-Time Rural Family Physician Opportunity

We are looking for a CCFP-certified physician to join an existing FHO at South Huron Medical Centre located in Exeter, a vibrant rural community close to London and Grand Bend. The centre is affiliated with South Huron Hospital Association and offers an attractive overhead arrangement in return for regular participation in the ER and hospitalist schedule. The clinic operates a fully-functioning EMR (Practice Solutions) and there is access to visiting consultants in surgery, internal medicine, paediatrics, dermatology, and gynaecology. There is also optional affiliation with the clerkship and residency programs of the Department of Family Medicine at the University of Western Ontario. Relocation bonus offered by the hospital for a multi-year commitment to the community.

All interested candidates can forward a resume and covering letter in confidence to:
